### THE 1<sup>st</sup> EPA.L. OF KARDITSA IN ESTONIA

Within the framework of the European Erasmus+ project titled « **War in Films**», two of the school's teachers went to Tallinn, Estonia. Specifically, the director of the school, Mr Sokratis Pappas and Mr Asterios Goumas attended the 1<sup>st</sup> project meeting. The participating countries are **Belgium, Poland, Estonia, Turkey and Greece**. The school's representatives had the opportunity to visit the capital of Estonia and to experience its beauty and traditions. They returned with the best impressions, and with enriched experiences and knowledge.

The 1<sup>st</sup> EPA.L. has often undertaken actions which help to improve the quality of education given to its students, and will continue to do so. We have also tried to make the most of opportunities that offer our teachers even more knowledge and experience, which can prove to be useful in their job and in their life.
